

# **Contact Management Web Application - User Documentation**

## **Introduction**

Welcome to our Contact Management Web Application! This user documentation is designed to help you get started and make the most out of our user-friendly tool for efficiently managing your contacts.

## **Goal**

The goal of our Contact Management Web Application is to provide users with a straightforward and intuitive platform for managing their contact information with ease.

## **Audience**

This documentation is intended for individuals seeking a simple and effective way to maintain and organize their contacts.

## **System Requirements**

Before getting started, ensure that you have a modern web browser installed on your device.

## **Getting Started**

This section will guide you through the initial setup and configuration of the Contact Management Web Application.

## **Installation**

1. Open your preferred web browser.
2. Navigate to [Application URL]

## **Features and Functionality**

Our application comes equipped with several features to streamline your contact management experience.

## **Contact List Display**

The homepage prominently displays your list of contacts, providing quick access to stored information.

## Add and Edit Contacts

- Use the user-friendly form to seamlessly add new contacts or edit existing ones.
- Click on a contact's name to view and edit their details interactively.

## Clear Form Controls

The form for adding or editing contacts is well-organized with clear labels and input fields.

## Delete Contacts

Remove contacts you no longer need, offering flexibility in managing your contact list.

## Step-by-Step Instructions

This section provides clear, sequential instructions on how to perform specific tasks within the application.

## Adding a New Contact

1. Navigate to the "Add Contact" section.

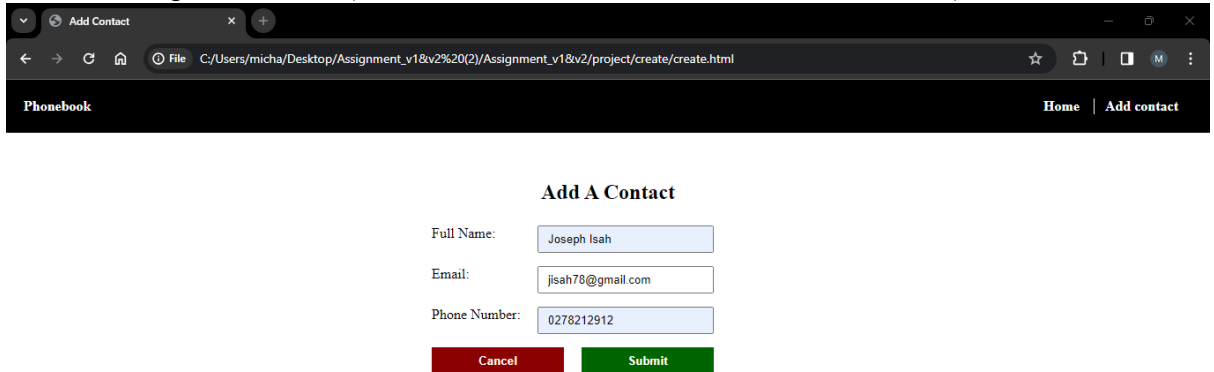

### Contacts

Create Contact

2. Fill in the required details (First Name, Last Name, Phone Number, Email).

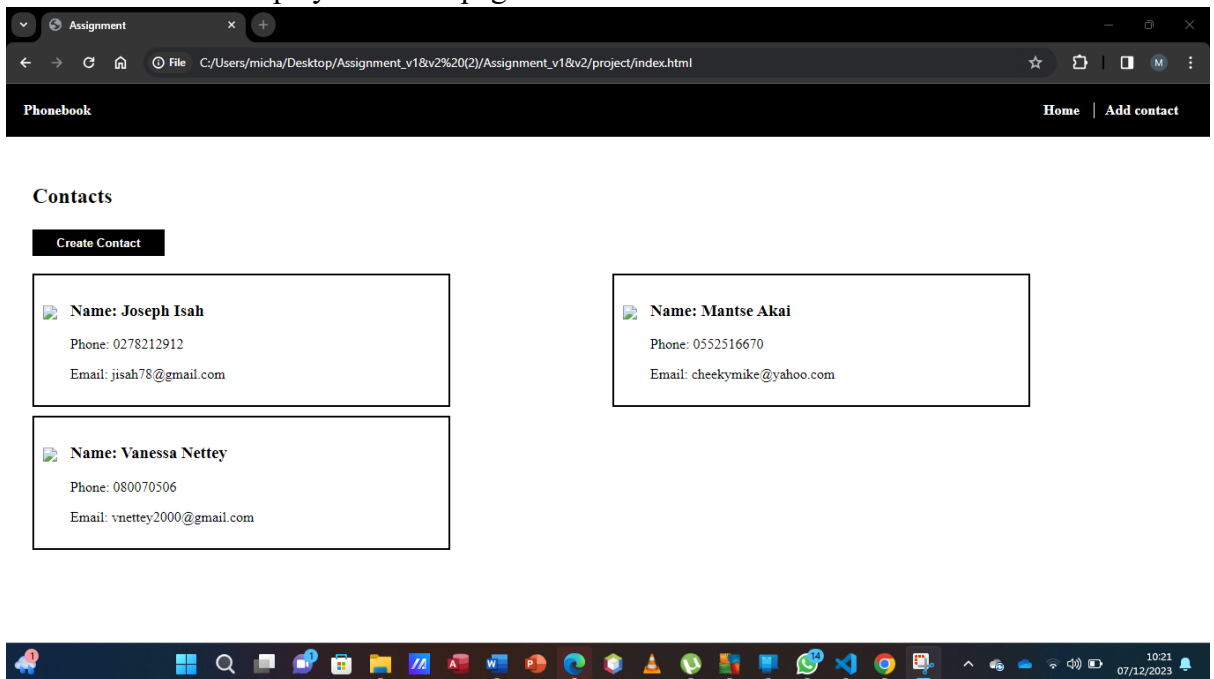

The screenshot shows a web browser window with the title 'Add Contact'. The address bar shows the file path: C:/Users/micha/Desktop/Assignment\_v1&v2%20(2)/Assignment\_v1&v2/project/create/create.html. The page has a dark header with 'Phonebook' on the left and 'Home | Add contact' on the right. The main content area is titled 'Add A Contact' and contains three input fields: 'Full Name:' with the value 'Joseph Isah', 'Email:' with the value 'jsah78@gmail.com', and 'Phone Number:' with the value '0278212912'. Below the fields are two buttons: a red 'Cancel' button and a green 'Submit' button.

3. Click the "Submit" button.

## Viewing Added Contacts

1. Click on the “Home” button at the top right corner.
2. All submitted are displayed on this page.

The screenshot shows a web browser window with the title 'Assignment'. The address bar shows the file path: C:/Users/micha/Desktop/Assignment\_v1&v2%20(2)/Assignment\_v1&v2/project/index.html. The page has a dark header with 'Phonebook' on the left and 'Home | Add contact' on the right. The main content area is titled 'Contacts' and contains a 'Create Contact' button. Below the button are three contact cards. Each card has a placeholder icon for a profile picture, a name, a phone number, and an email address. The first card is for 'Joseph Isah' with phone number '0278212912' and email 'jsah78@gmail.com'. The second card is for 'Mantse Akai' with phone number '0552516670' and email 'cheekymike@yahoo.com'. The third card is for 'Vanessa Nettey' with phone number '080070506' and email 'vnettey2000@gmail.com'.

## Editing an Existing Contact

3. Click on the name of the contact you want to edit.
4. Click the "Edit" button.

- Update the necessary fields in the form.

Phonebook Home | Add contact

### Edit Contact

Full Name:

Email:

Phone Number:

- Click on the “Submit” button.

## Deleting a Contact

- Click on the name of the contact you want to delete.
- Click the "Delete" button.

Phonebook Home | Add contact

This page says  
Contact was deleted. You will be redirected now

**Name: Joseph Isah**

Email: jisah78@gmail.com

Phone Number: 0278212912

- Click on the “Ok” button.

## **Conclusion**

Congratulations! You are now ready to efficiently manage your contacts using our Contact Management Web Application. If you have any further questions or encounter issues, refer to this documentation or reach out for assistance.
